

Call for Travel Fellowship Applications

The NEW Brain Aging Center is pleased to provide travel fellowships for Neuroscience 2022, the Annual Meeting of the Society of Neuroscience, taking place November 12-16th 2022.

The award will include the following:

- ◆ Reimbursement for up to \$500 of travel costs
- ◆ Reimbursement for \$200/day of lodging and food costs
- ◆ Reimbursement for up to \$240 of meeting registration fee

In addition, awardees will be paired with an established-career mentor through our network and will meet with them regularly throughout the Neuroscience 2022 meeting. This will include at least one social gathering with all awardees and mentees to discuss interests, advice, etc.

Please visit our website for more details and specific application requirements:
